

Elaine Warner

Lambertville has been my home since 1990. While I did not grow up and attend school in Lambertville, my great grandparents emigrated to Lambertville from Italy in 1912. I am a lifelong resident of Hunterdon County and graduated from Delaware Valley Regional High School in 1981. My husband, Robert Warner, is a lifelong resident of Lambertville. Together we have three children - Julianne (23), Rhett (17) and Meagan (12). For the past twenty-five years I have worked in the healthcare industry. Currently, with my business partner James Pacelli, I own and operate a medical billing and consulting firm located in Flemington. Since April 2002, I have served on the Lambertville Public School Board of Education. Most recently I served as Vice President and Chair of the Finance Committee.

"It is my hope that I can serve the people of Lambertville as fairly and effectively as I have tried to serve the educational needs of the children of Lambertville these past eight years."
