**New Business**

Cavillo Park- There was a Q & A with Michael Burns over his design plans for Cavillo Park. The conversation led towards doing it in phases. We discussed drainage, closing the park for construction, new equipment, rubber mats, mulch, lights, etc... Michael took everything under advisement and will follow up at a future meeting.

There are two Fathers who live in Lambertville City and would like to use one of the parks over the summer for a small soccer program. It was decided for them to go through Cindy Ege for signage of Hold Harmless agreement but had the Recreations approval upon them signing the agreement.
