4. Old Business

- a. ERI

Kate noted she attended an ANJEC training on updating your ERI and they said most towns hire professionals and it costs \$10-15k.

We then asked our municipal planner to prepare a proposal for the work, which was shared with Commission members.

Liz noted we can request \$5000 in our budget for the ERI for the first year, but not guaranteed.

Liz also recommended the SJ grant be used for something else since not guaranteed to get the \$5000 from council.

Liz noted we will not be eligible for another SJ grant again until 2022.

Kate noted Master Plan re-examination report was done in 2019, and ANJEC recommended timing the ERI update for 1-2 years before the Master Plan update was to be completed.

Liz asked that the EC discuss how to spend the \$1500 remaining SJ funds at the next meeting. The EC voted (4-0) to move conversation to next meeting.
