Approval is contingent on payment of Fee of **\$42.00**, and adherence to the Following

Please provide a layout of the area and the location of the tent with your submission.

All tents between 900 square feet and 16,800 square feet require a permit through the Fire Prevention Office and any tent over 1,600 square feet will also require a permit through the City of Lambertville Construction Office.

Tents over 30 x 30 OR 900 SQ. FT. must have a 3A40BC rated ABC (6 lb. or larger) Fire extinguisher at both ends of the tent. The canopy fabric must be flame resistant as required by Section 2001.8 of the UFC.

Non-cooking tents with side flaps require exit and emergency lighting installed along with an electrical construction permit from the City of Lambertville Construction Office.

NOTE: This is a Fire Safety Permit ONLY.

It is the Applicant's responsibility to comply with other applicable health, police, building or construction requirements for such matters as electrical, plumbing or mechanical activities.

This permit must be conspicuously posted at the site for the duration of the event or activity.

Failure to comply with the fire code requirements or any condition set forth above is cause for revocation of this permit.
