Good Morning Cynthia,
I wanted to just confirm that you received my last email regarding the Lambertville Learning Garden. Specially, I am wondering if putting a sign in front of the garden was approved?

In addition, the possibility to adding water (a farm pump) to the garden has come up with the help of some local organizations. I was wondering if

you could direct me as to how I would go about getting the city to approve a project like this.

Thank you very much for your time!
Chelsea
