

Lambertville Shade Tree Commission
Minutes of Open Meeting
October 13, 2016

Meeting was called to order at 7:33. Present were Art Legere, Deborah Galen, Susan Wydick, and Irene Rudolph. There was no one from the public present.

New Business:

- A. We reviewed a tree application request from Paul and Lelia Matthews, 82 N. Union St. The Commission voted 3 to 0 (with Art abstaining) to approve trimming of the two Pin Oaks in front of their property. We did not approve removal. It was suggested that they have the trees evaluated for the disease affecting Pin Oaks. It was also noted that the tree immediately north at 86 N. Union looks very compromised and should be evaluated.

Meeting was adjourned at 7:43.

Respectfully submitted,
Irene Rudolph
