

# LAMBERTVILLE RESILIENCE ACTION PLAN

## PUBLIC WORKSHOP #1

JUNE 13th 7:00-9:00pm

Phillip L. Pittore Justice Center  
25 S. Union St. Lambertville, NJ

### PLEASE JOIN US!

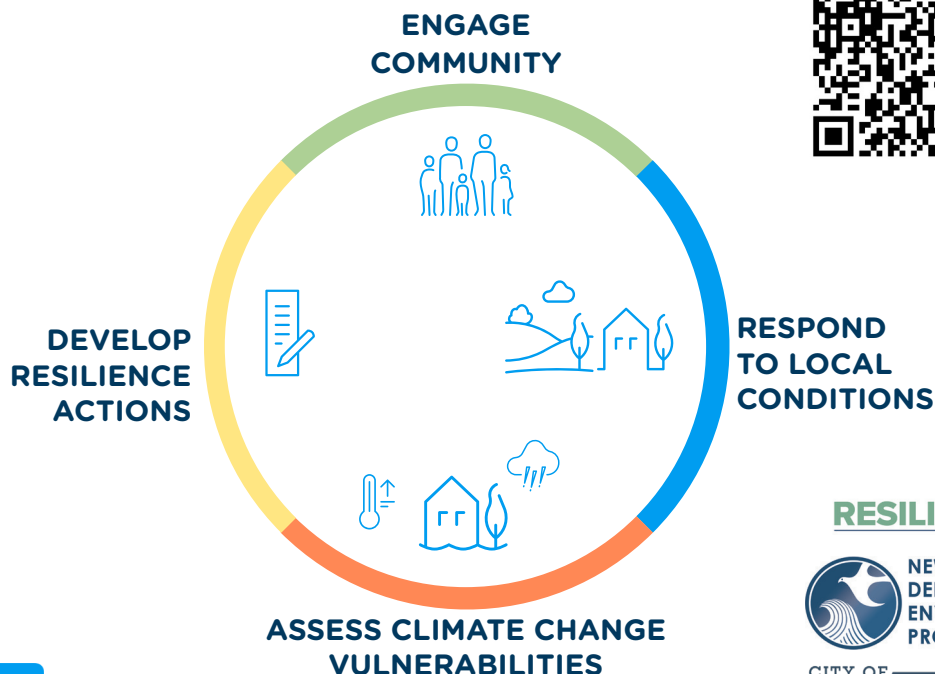

The City of Lambertville is working with NJ DEP to develop a Resilience Action Plan to guide Lambertville's long-term capacity to adapt and thrive in the face of a changing climate.

### WE WANT TO HEAR YOUR THOUGHTS.

This interactive workshop will provide an introduction to the project and project team. The workshop objective is to collect your thoughts on project vision, climate hazards and mapping, and potential resilience opportunities. The workshop will feature a variety of breakout sessions available in person and to Zoom participants online.

Register to attend in person or to join virtually here:
